Food Allergies – Unfortunately, we can't guarantee that any of our food is 100% allergen free.
 We cook up a storm, preparing all of our delicious food in the same place; so there's a risk of cross contamination with allergens, especially milk as we use lots of dairy cheese. If you, or anyone you are ordering for, has a food allergy, please consider carefully whether you order from us.

The '●' indicates that the allergen is **contained** and **present** in this item.

The '○' means that this allergen is present in the manufacturing site/factory/supply chain, therefore our suppliers believe there is a **risk** that this allergen could **cross-contaminate** the food.
